**Artekk**

The Leader in **Porcelain Panels**

# About us

Artekk is a leading International supplier and installer of a range of superb quality, stunning large format Architectural Porcelain Panels.

Artekk utilises cutting edge Italian Sintered Porcelain Engineering technology in its state-of-the-art Manufacturing facilities. Artekk's industry leading design team utilise this leading technology platform to design and create the sublime aesthetics and textures of its large format Architectural Porcelain Panel (APP) range.

The range within Artekk's Large Format APP designs, spans recreation of the earthy textures, tones and beauty of natural stone, to bold, beautiful and unique statement designs.

Artekk's large format APP range, provides architects and space designers the freedom and flexibility to create simply breathtaking aesthetically stunning and tactile outcomes, in a cost-effective way never-before available to them.

# The features are

**Large panels** requires less cuts and minimal grouting

**It won't scratch** like reconstituted stone and natural marble

**Easy to clean** and maintain, even graffiti cleans right off

**Stain proof.** Little or no need for detergents or physical cleaning

**Sustainable** and ecological

**Looks like** natural stone

**Easy and fast** to install

**Looks stunning** and luxurious

**Long lasting.** Withstands more surface damage than stone or natural marbles

**Much more** economical than natural stone

**Achieves the ASI.89** antibacterial rate of 99.77% and the E. coli antibacterial rate of 98.39%

**Antiviral and** antibacterial, killing harmful Vacuous Organic Compounds (VOC's)

## Artekk ™
### The Leader in **Porcelain Panels**

# BIG SLABS
# GREAT
# ADVANTAGES

- **SUSTAINABLE AND ECOLOGICAL**
  Made from natural mineral and earth materials.

- **LARGE AND VERSATILE**
  With large format panels less cuts are required. Less grout to clean.

- **RESISTANT**
  Withstands even more surface damage than stone or natural marbles.

- **TIMELESS**
  Contemporary porcelain panels with timeless design.

- **SAFE**
  Safer than any stone on the market for tradesmen to water cut.

- **EASY TO CLEAN & MAINTAIN**
  Easy and quick to clean, keeping it's original look.

- **EASY TO INSTALL**
  Quick installation, less difficulties, faster results for a quality finish.

- **PANEL SIZES**
  Four large format panel sizes create more possibilities.

- **TECHNICAL SUPERIORITY**
  Experience combined with research and innovation.
